SOLOMON ISLANDS MINISTRY OF COMMUNICATION AND AVIATION & MINISTRY OF INFRASTRUCTURE DEVELOPMENT

SECOND SOLOMON ISLANDS ROADS AND AVIATION PROJECT (P176548)

ENVIRONMENTAL and SOCIAL COMMITMENT PLAN

NEGOTIATED: April 26, 2022

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

- Solomon Islands (hereinafter the Recipient) shall implement the Second Solomon Islands Roads and Aviation Project (P176548) (the Project), with the involvement of the Ministry of Communication and Aviation (MCA) and the Ministry of Infrastructure Development (MID). The International Development Association (hereinafter the Association) has agreed to provide financing for the Project.
- The Recipient shall implement material measures and actions so that the Project is implemented in accordance with the Environmental and Social Standards (ESSs). This Environmental and Social Commitment Plan (ESCP) sets out material measures and actions, any specific documents or plans, as well as the timing for each of these.
- 3. The Recipient shall also comply with the provisions of any other environmental and social (E&S) documents required under the Environmental and Social Framework (ESF) and referred to in this ESCP, such as Environmental and Social Management Plans (ESMPs), Labor Management Procedures (LMP), Stakeholder Engagement Plan (SEP), and Resettlement Plan (RP), and the timelines specified in those E&S documents.
- 4. The Recipient is responsible for compliance with all requirements of the ESCP even when implementation of specific measures and actions is conducted by the Ministries referenced in 1. above.
- 5. Implementation of the material measures and actions set out in this ESCP shall be monitored and reported to the Association by the Recipient as required by the ESCP and the conditions of the legal agreement, and the Association shall monitor and assess progress and completion of the material measures and actions throughout implementation of the Project.
- 6. As agreed by the Association and the Recipient, this ESCP may be revised from time to time during Project implementation to reflect adaptive management of Project changes and unforeseen circumstances or in response to assessment of Project performance conducted under the ESCP itself. In such circumstances, the Recipient shall agree to the changes with the Association and shall update the ESCP to reflect such changes. Agreement on changes to the ESCP shall be documented through the exchange of letters signed between the Association and the Recipient. The Recipient shall promptly disclose the updated ESCP.
- 7. Where Project changes, unforeseen circumstances, or Project performance result in changes to the risks and impacts during Project implementation, the Recipient shall provide additional funds, if needed, to implement actions and measures to address such risks and impacts.

SIRAP2 ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN (ESCP): VERSION April 26, 2022

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBILE ENTITY/AUTHORITY
1.3	MANAGEMENT TOOLS AND INSTRUMENTS a) Adopt and implement a Code of Conduct for the prevention of gender-based violence (GBV), sexual exploitation an abuse (SEA)/sexual harassment (SH), and/or violence against children. Include the Code of Conduct in construction bid documents.	a) Prior to the release of any construction bid documents and throughout Project implementation	MCA and MID throughout the PST
	b) Approve the Contractors' Environmental and Social Management Plans (CESMPs), including a GRM, that will be prepared by the contractors based on the updated ESMPs, prepared under item 1.2 above	b) Prior to the commencement of civil works.	
1.4	MANAGEMENT OF CONTRACTORS Incorporate the relevant aspects of this ESCP, including, inter alia, any environmental and social management plans or other instruments, ESS2 requirements, and any other required ESHS measures, into the ESHS specifications of the procurement documents and contracts with contractors, subcontractors and supervising firms. Thereafter ensure that the contractors, subcontractors and supervising firms comply with the ESHS specifications of their respective contracts. Ensure that all bid documents for civil works include the site-specific ESMPs, and the budget provisions for all relevant OHS aspects.	Before launching the procurement process for the relevant Project activities, and thereafter throughout the civil works/construction activities.	MCA and MID throughout the PST
ESS2:	LABOR AND WORKING CONDITIONS		
2.1	LABOR MANAGEMENT PROCEDURES Implement the LMPs that have been prepared, disclosed, consulted and adopted, which shall, among others, (i) respond to specific health and safety issues posed by COVID-19, (ii) protect workers rights as set out in ESS2, and (iii) create a grievance mechanism for workers to raise complaints or queries.	Throughout Project Implementation	MCA and MID throughout the PST
2.2	GRIEVANCE MECHANISM FOR PROJECT WORKERS Establish, maintain, and operate a grievance mechanism for Project workers, as described in the LMP and consistent with ESS2.	Grievance mechanism shall be operational prior to engaging Project workers and shall be maintained and implemented throughout Project implementation.	MCA and MID throughout the PST

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBILE ENTITY/AUTHORITY		
2.3	OCCUPATIONAL HEALTH AND SAFETY (OHS) MEASURES Adopt, implement, and update the OHS measures specified in the LMP and the updated ESMPs in a manner acceptable to the Association. The Recipient shall regularly monitor the contractor's performance in implementing OHS measures	Throughout Project implementation	MCA and MID throughout the PST		
	The Project's regular reporting system shall include performance in OHS implementation.				
ESS3: F	RESOURCE EFFICIENCY AND POLLUTION PREVENTION AND MANAGEMENT				
3.1	RESOURCE EFFICIENCY AND POLLUTION PREVENTION AND MANAGEMENT: Ensure that the ESMPs are updated through action 1.2 above to include resource efficiency and pollution prevention and management measures in accordance with ESS3 and acceptable to the Association.	Prior to the release of any bid documents	MCA and MID throughout the PST		
	Thereafter, adopt and implement resource efficiency and pollution prevention measures as described in the updated ESMPs.	Throughout Project implementation			
ESS4: 0	COMMUNITY HEALTH AND SAFETY				
4.2	COMMUNITY HEALTH AND SAFETY: Prepare, adopt, and implement measures and actions to assess and manage specific risks and impacts to the community arising from Project construction activities, including, <i>inter alia</i> , dust, noise, behavior of Project workers, and construction related impacts, and include these measures in the ESMPs to be updated under action 1.2 above, in accordance with ESS3 and in a manner acceptable to the Association.	Throughout Project implementation	MCA and MID throughout the PST		
4.3	GBV AND SEA/SH RISKS: Implement the GBV Action Plan prepared under SIRAP for SIRAP2 activities, in accordance with the ESSs.	Throughout Project implementation.	MCA and MID throughout the PST		
ESS5: L	AND ACQUISITION, RESTRICTIONS ON LAND USE AND INVOLUNTARY RESE	ETTLEMENT			
5.1	RESETTLEMENT PLAN: Prepare, disclose, and consult the RP in accordance with ESS5, and thereafter adopt and implement the RP before carrying out the relevant Project activities, in a manner acceptable to the Association.	Required to be implemented prior to any land acquisition/access restriction and displacement of affected persons.	MCA and MID throughout the PST		
ESS6: BIODIVERSITY CONSERVATION AND SUSTAINABLE MANAGEMENT OF LIVING NATURAL RESOURCES					

6.1	Ensure that the relevant ESMPs under action 1.2 include measures to	Throughout Project implementation	MCA and MID throughout the PST
0.1	manage potential biodiversity risks and impacts in accordance with ESS6	in oughout Project implementation	MCA and MID throughout the FST
	and acceptable to the Association.		
	Thereafter, adopt and implement such measures as described in the		
	relevant ESMP(s).		
ESS7. I	NDIGENOUS PEOPLES/SUB-SAHARAN AFRICAN HISTORICALLY UNDERSERV		
7.1	The Project shall be carried out in accordance with the applicable	Throughout Project implementation	MCA and MID throughout the PST
